This is a presentation slide for ProjectBASS.Org. The background features a light gray map of Asia. Overlaid on the map is the text "ProjectBASS.Org" in a large, blue, sans-serif font, followed by "Data Use Scenarios" in a slightly smaller blue font. Below this, the name "Wilson L. Chua" and his title "Co Founder, ProjectBASS.org" are written in a smaller, black, sans-serif font. At the bottom left, the APNIC logo is visible. At the bottom right, there is a small version number "v1.3" followed by four circular icons representing different licenses or standards.
